- Rhawn Street;
- Wissahickon Avenue;
- Cottman Avenue;
- Bustleton Avenue;
- Castor Avenue;
- Erie Avenue; and
- Allegheny Avenue.

Crews will restrict travel lanes on these state highways to patch areas of deteriorating pavement. Motorists are advised to be alert of this moving operation and to expect intermittent lane closures and possible slowdowns when driving near work crews. All activities are weather dependent.

As of January 1, 2022, PennDOT has used more than 383 tons of asphalt to repair potholes across the five-county Philadelphia region.

PennDOT would also like to remind motorists that potholes and other roadway concerns on state roads can be reported by calling 1-800-FIX-ROAD or visiting www.penndot.gov and clicking on "Submit A Roadway Concern." To date, District 6 has received over 1,200 customer concerns regarding potholes through [PennDOT's Customer Care Center](#).

Motorists can check conditions on more than 40,000 roadway miles, including color-coded winter conditions on 2,900 miles, by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

For a complete list of construction projects impacting state-owned highways in Bucks, Chester, Delaware, Montgomery, and Philadelphia counties, visit the [District 6 Traffic Bulletin](#).
