

WE NEED YOUR HELP

To provide toiletries to local families this holiday season

\$5 - \$10 suggested donations to reach our goal of \$350 by Monday, 12/21/20!

Chester Heights Neighbors Alliance is coordinating with a local women's shelter to deliver 10 self-care gift baskets to their resident families. These baskets will contain quality shampoo, conditioner, soap, lotion, and deodorant. If we exceed our \$350 goal, we will convert any balance into gift cards for the families.
