On May 7th, 2018 at the Regular Council Meeting the newly elected Communications Committee reported that they will be rebranding the Borough with a new logo because they "*DIDN'T PARTICULARLY CARE FOR THE OLD ONE*". Two new logo designs were chosen to represent our residents.

**Tell Chester Heights Borough Council to KEEP OUR LOGO and say NO to using corporate and religious symbols as the representation of our town.**

Please come to the Borough Council Meeting  
Monday May 21<sup>st</sup>, 2018 at 7pm , 222 Llewelyn Rd.
